

DEBIT CARDS

What you should know

The security of your accounts is priority for NEFCU. Debit Card fraud affects every credit union worldwide and we take it seriously. The credit union recommends that members carry an alternate payment method as a backup if you are traveling; especially outside the state. **It is also recommended that you share your e-mail address with us in the event we need to contact you regarding your account.**

Due to regulatory requirements and incidents of fraudulent activity, the credit union blocks certain debit card activity based on risk. This list of blocked countries is updated based on fraud trends and/or government sanctions.
